

When it comes to Integrative Cancer Care, Nalini Chilkov is my go to person.

Dr. Frank Lipman, M.D.

Dr. Nalini Chilkov is a pioneer in the field of Integrative Cancer Care, Cancer Prevention, Immune Enhancement and Functional Medicine. She has been instrumental in developing models of truly collaborative care demonstrating that cancer patients have better outcomes and can and do survive and thrive when an individualized health model is included in their care plan.

She combines the wisdom of Chinese Medicine with the latest scientific research in cancer physiology, nutritional science, botanic and lifestyle medicine to achieve these ends. Dr. Chilkov is an invaluable resource to both patients and clinicians who are concerned about creating a plan for health in the midst of the challenges and complexities of cancer diagnosis, cancer treatment and recovery and investing in the health side of the equation.

Dr. Mark Hyman, M.D. Founder, The Ultrawellness Center

Dr. Nalini Chilkov is my number one resource for cutting edge cancer info. She is on the leading edge of Integrative Cancer Care. She is a seasoned clinician who has demonstrated that the lives of cancer patients can be transformed with the evidence based use of nutraceuticals, botanicals and lifestyle modifications. I have sent my closest friends to her.

JJ Virgin, Celebrity Nutrition and Fitness Expert; Author of The Virgin Diet

Dr. Nalini Chilkov is a seasoned clinician who possesses a stellar understanding of Integrative Cancer Care. She offers a unique lens into this subject with her extensive academic and clinical background in Traditional Chinese Medicine, Functional Medicine and Cell Biology. Dr. Chilkov is always up-to-date on the scientific research related to Integrative Cancer Care and relevant clinical applications. Nalini is extremely skilled in presenting practical applications resulting in improved patient outcomes. Both patients and professionals alike benefit from the depth and breadth of her knowledge and experience.

Dr. Patricia Fitzgerald, DAOM, L.Ac., CCN Healthy Living Editor, Huffington Post

As an integrative oncologist, I find the work of Nalini Chilkov, L.Ac., O.M.D. with cancer patients to be exemplary. She has an extensive knowledge of nutrition and botanical medicine, as well as acupuncture and Traditional Chinese Medicine. She understands the limits of her work, as well as the limits of conventional oncology, and is expert at integrating them. I refer patients to her with great confidence.

Dwight McKee, M.D., CNS, ABIHM Diplomate, American Boards of Medical Oncology

Dr. Nalini Chilkov is a seasoned Integrative Cancer Care expert with a rare depth of knowledge and years of experience in the comprehensive management of patients facing cancer. She is a great resource for those who are looking for a truly integrative health focused natural approach grounded in science. Dr. Chilkov's practical and masterful programs allow those whose lives have been touched by cancer to regain a sense of control. Dr. Sara Gottfried, M.D. New York Times Best Selling Author of The Hormone Cure

Dr. Nalini is my go-to person for integrative cancer care. With cancer becoming an ever-increasing problem, we need an expert who has put it all together and can help us to help our patients make the best choices for their ongoing care. She's very knowledgeable, and is a great clinician. She pulls together diverse information from the best integrative oncology sources, digests it, and then puts it out both to patients and other clinicians at the level needed.

Dr. Hyla Cass, M.D.

Dr. Nalini Chilkov's extensive background and broad skill honed by decades of patient care make her one of the few hallmark pioneers in the field of integrative cancer medicine. Her longstanding commitment to sharing this vast knowledge is evident and vital to practitioners seeking to deepen their understanding of herbal medicine, nutrition, and holistic therapies.

Donald Yance, CN, MH Founder, Mederi Centre for Natural Healing

Dr. Nalini Chilkov's expertise lies both in her depth of knowledge as well as in its breadth. Cancer is a complex condition, which requires both that expertise as well as compassion. Nalini's seminars are a deeply rewarding experience, which bestow on the participants practical insights into treatment protocols.
